Subject: Dimock week 3 data posted on web

Alisa -

I wanted to let you know that the sampling results from week 3 of sampling in Dimock have been posted to:
<https://www.epaos.org/sites/7555/files/Dimock%20W1,2,3%20-HW45%20Compulation%20Report.pdf>

There were 17 homes sampled during that week, but only 16 data packages were posted today (for a total of 47), as we were unable to reach one of the residents to deliver their information. We'll provide that with the next group of data.

If you have any questions, please let me know.

Have a good weekend -
Jennie
